8th March 2021

COLLIE ENTRY CLOSSES TODAY

A reminder note that today is the closing date for entries to the Collie Icebreaker meeting.

The meeting format has been changed to a single day event (Saturday 13th March only) rather than over the entire weekend. There is still a practice / tuning session available on Friday afternoon and FCR will arrange some sort of social gathering for Friday evening.

We look forward to seeing you at the first event of the 2021 season.
