Flaggies: Nightmasters

Hi Category Reps,

*I'm just reaching out as we could do with some extra helping hands at Nightmasters, particularly in the Flag Marshalling area. If you know anyone who could help us out please either let me know and I'll get in touch, or point them in my direction ASAP. They don't need to be experienced and we can issue them with an On The Day Official's licence.*

*Many thanks.*

*Kind regards,*
