Barbagallo 1st August – Supplementary Regulations

Collie Cup – Historic Formula Ford

Following the recent debacle with self-scrutiny forms WASCC has revised the submission of these forms to coincide with the entry closing date. Attached is a copy of the supplementary regulations for the 1st August meeting, see section 2.3 regarding the self-scrutiny requirements.

For our members with Historic Formula Fords please see the attachment regarding the Collie Cup. This is a great opportunity to make the forthcoming Collie event a two day meeting and with the chance to pick up a few dollars too.
