9th August 2021

Collie Race Meeting 21st – 22nd August – Time Table & Supplementary Regulations

Just a quick reminder to get your entries in for the next Formula Classic race meeting at Collie over the weekend of 21st – 22nd August, entry is via the usual MSA portal.

For your information I've attached a copy of the timetable and supplementary regulations.

I can confirm Formula Classic will be running on both days, there was some confusion earlier about only running on the Saturday but this was incorrect.

Collie circuit also offers the opportunity for testing on the Friday afternoon prior to the meeting for a very modest fee.

STAY SAFE
