Newsletter

December 2019

Welcome everyone to FCR's first newsletter.

We distribute the newsletter to our members only but please feel free to share it with anyone who may be interested. Also, if you know anyone who would like to join us, please let us know and we will very happily send them a membership application form.

Formula Classic Racing was formed to formalise the fine group of people who race or enjoy sports and racing cars. The requirement for forming the association is purely to better represent the views and wishes of our Formula Classic group and further the promotion and development of competition events for Historic Racing and Sports Cars in WA. We hope to better represent all the Categories that race with us including Cat 5 COD and Eligible Logbook racing and sports cars.

In this respect your input, as members, is essential and we will do our very best to action and or follow up on any issues where we can.
