Resumption of Racing

With the government easing of restriction the WASCC are looking to re-start the racing season next month. Unfortunately, the next scheduled round for Formula Classic is not until 11th July meeting.

The WASCC, and FCR, would like to see a strong field of entries for the return to racing and we hope to see you out on the track at our next round. Remember there are still three 2020 Championships up for grabs; WASCC, CAMS and the FCR Handicap.

Tuning Day

The WASCC is planning to resume activities on 19th June with a tuning day. The tuning day is open to all WASCC members. This may be a good opportunity to shakedown your car and blow away some of the cobwebs.

Social Gathering

As there has been some easing on the size of social gatherings, FCR is putting on a social evening on Thursday 21st May at Densford Civil's workshop in Osborne Park, starting at 6.30 pm.

All members are welcome and we'd like to use the evening to discuss the resumption of racing and what assistance if any is needed by members to get their car on the track.

RSVP is essential as we are limited to 20 attendees only, first in best dressed!

There will a barbeque and light refreshment.

Return to Racing Survey

For our racing members, could you complete the following survey and return your answers to me, please. It should only take you a minute or two to complete the survey but it will help the FCR committee greatly;

1. Do you intend to race at the next race meeting?
2. Do you intend to race for the remainder of the 2020 season?
3. Do you intend to race next season?
4. Would you be interested in joining an afternoon private track hire session*?
5. Any other comments regarding race participation.

Please email your responses to me, just a simple yes, no, maybe will suffice.

*Technical help and assistance would be available, if required, at the track during the private hire session.

STAY SAFE
