December 2020

#### Chairman's Chatter

2020 Started in great form with an excellent Collie Meeting and ended really well with a top night at Melville Golf Club for our Club Christmas "Get Together" and prize giving. The bit in between! Well, I don't know so much. On the bright side there was some good racing despite Covid 19 restrictions, we suffered no major incidents between cars on track, new winners emerged and our trophies went to well deserved competitors. On the down side we had an unprecedented 3 meetings which were rain affected. Actually they were fully wet all day. This doesn't happen very often in WA and a few of us are going to have to look into the purchase of rain tyres and (at least for me) the rims to put them on.

Next year we will be welcoming a number of new cars and indeed Andrew Nielson has already given us a glimpse of his lovely, new to WA ex Geoff Brabham, Ralt RT4.

Kevin Taylor is doing a great job updating the FC website ([www.formulaclassic.com.au](http://www.formulaclassic.com.au)) and with Brian writing up the race reports it is well worth a regular look. If your car does not feature on the website let us know or even better send in a photo and some information and we will get it up in short time.

Craig has recently sent out membership renewals and we would very much appreciate your continued support at the bargain price of \$20. If you have not received a renewal or know someone that wants to join let us know (easiest way is to ring me on 0411 075 000) and we will sort it out.

Whilst on the subject of support. Many thanks to the members that completed the recent survey. We are working hard with Motorsport Australia and WASC to be able to represent you all in both the Formula Libre Championship and the Historic Championship. Your support in this is essential in providing us with the legitimacy to do so. It also gives us, on the front line, the confidence and

encouragement to keep plugging away knowing that it is what you as members want. If you would like any updated information on the current situation here give me a ring on the number above.

We will be having an AGM in February and I encourage everyone to come along as I am sure we can cover the proper procedures, open up the floor to suggestions on how to improve the Association/give better service to the membership and still have the usual good old get together.

I will leave Brian to impart all the important information and wish you all a Very Happy Christmas and a Healthy and Prosperous New Year.

Cheers Marty

### 2021 Formula Classic Schedule
