#### Vehicle compliance

FCR has been advised by Motorsport Australia that the Historic Eligibility Officer (John Van Leeuwin) will be checking on cars with historic log books, throughout the season, that their car is compliant with the vehicle's C.O.D. It's also been pointed out that the vehicle's C.O.D. must be present at the venue whenever the vehicle is entered in an event.

JVL will further be checking the Libre cars for compliance with the period Libre rules.
