June 2021

Welcome to the June 21 FCR Newsletter.

#### Social Gathering

FCR racing member Leon Magistro has kindly offered to host an evening at his Autodelta facility in Malaga on Thursday 8<sup>th</sup> July from 7.00.

There will be an opportunity to see the workshop and showroom at Autodelta and to see a variety of wonderful Italian cars.

Refreshments will be provided.

The address is;

50 Crocker Drive, Malaga.

Please let me know if you will be attending.

#### Historic Formula Ford 1600

FCR is trying to nurture the growth of historic FF1600 within WA. To this end FCR is inviting all local historic FF1600 owners and other interested parties to a barbeque at the end of the tuning day on Saturday 3<sup>rd</sup> July 21. The barbeque will be held in front of Jamie Kerkhoff and Andrew Neilson garages at the track. Craig Thompson is coordinating the event, please feel free to liaise with him on any aspect of this event. Craig's number is; 0412 709 186.

### Open Wheeler and Racing Sportscar Regularity

The promoters of the Coalfields 500 event held at the Collie race track are seeking to include an open wheeler and racing sportscar regularity event in this year's programme.

This is a great opportunity for open wheeler and racing sportscar owners to get their cars out on the track in a fun and less competitive way.

The Collie car club always put on a great event and ensure that every entrant has an enjoyable and fun experience.

John Harwood is the focal point for anyone interested to give regularity a try. John can be reached on 0418 912 514.

### Historic Formula Ford Rims

Can anyone help please?

I have a set (4) of Weller wheels # 0953401 (3.75 PCD 112 backspace ET 34 ), Van Diemen type, but would prefer the smaller offset ( 81mm backspace ET3 or 87mm backspace ET9 ) .

I would like to organise a straight swap, if anyone in the Historic FF community was interested.

Thanks, Allan Ould 0423 192 373
