### Post race meeting social get together

This season we have instigated post racing meeting social gatherings that have been very popular and well attended. On behalf of FCR I'd like to thank both Andrew Neilson and Jamie Kerkhoff for making their sheds and facilities available for these get togethers. Andrew in particular has been very generous in allowing us the use of his beer fridge and providing much of the beer too. The responsibility falls to all FCR members to help keep the fridge stocked for all our enjoyment.

### FCR Website

Further work has been undertaken on upgrading the FCR website, a couple of features on the website are the race reports and classified advertisements. If you wish to place a sale or wanted advertisement please send the information to me and I'll get it placed on the website..

### Lost

Andrew Neilson lost his Goodacre tyre pressure gauge at the last Collie meeting, if anyone has picked it up could you please contact me or Andrew directly.
