Marty Bullock – CONGRATULATIONS!!

What a great season the FCR Chairman has had this year with a clean sweep across all the local championships;

- The Motorsport Australia Historic Racing and Sports Car Championship.
- The WASCC Historic Racing and Sports Car Championship.
- The Collie Motorplex Historic Racing and Sports Car Championship.
- FCR Handicap Championship.
- FCR Spirit Award.

A great result for a very worthy recipient.

FCR End of Season Prize Giving Dinner

The end of season prize giving dinner was a great success again this year with close to 40 FCR members, friends and guests in attendance. The Melville Glades Golf Club provided a fine spread of food and beverages for the evening.

Awards Table

The FCR Handicap Championship was very closely contested this year with the top three competitors finishing within only a few points of each other. So close was the competition that the final outcome had Ricky Virago and Simon Alderson tied for second place and the winner, Marty Bullock, only a few points ahead of them.

The Spirit Trophy

The Spirit Trophy is awarded each year to a FCR member that has contributed significantly to the club during the year. Marty Bullock was selected for the award this year for all his work with Motorsport Australia regarding the representative body for historic and libre race cars in WA.

Wishing all members an enjoyable break over the Christmas and New Year period and we look forward seeing you all back on the track in early 2022.
