

## FORMULA CLASSIC RACING

Newsletter

1<sup>st</sup> May 2022

### **FORMULA CLASSIC CHAMPIONSHIP, ROUND 3 – COLLIE MOTORPLEX, Sunday 15<sup>th</sup> May 2022**

A reminder that the third round of this year's Championship, the Ernie Hastie Memorial, is being held at Collie on Sunday 15<sup>th</sup> May 2022, please note it is a single day event. Entries are now open via the MSA portal. Please get your entries in before the closing date and support FCR and the Collie Motorplex.

### **STANDING START VS. ROLLING START**

I have been approached by a couple of our regular entrants to seek the racing members thoughts on our class using a rolling start as opposed to the traditional standing start. The argument for a rolling start being that it is much gentler on the transmission and drive mechanisms for our cars and has the further benefit of potentially avoiding / minimising start line incidents.

Could you please get back to me with your thoughts and comments on this matter and let me know if you would like to trial a rolling start at one of the race meetings later this year.

## **FCR 2022 SHIRTS**

The new FCR shirts have now arrived and are available in a range of sizes from Small to XX Large. The shirt is made from a lightweight breathable polyester material, see image below. (Apologies for the model)

The price for the shirts is \$35 each, please contact Brian Searles (0438 160 435) if you wish to buy one.

(I will have a selection of shirts available at the Collie Meeting)

STAY SAFE
