

FORMULA CLASSIC RACING

8th April 2024

ENTRY CLOSING DATE FOR ROUND 3 – SUNDAY 14th APRIL

A reminder that entries for the third round of the 2024 FCR Championship at Wanneroo Park close on Wednesday 10th April at 9.00 a.m. So far there are only 4 entries in our class. The weather forecast for Sunday is for a balmy 28 deg. C and there will be a delicious BBQ after the race meeting so please get your entries in now and let's make a great day of it.

PHOTO OPPORTUNITY!

The WASCC would like to take a portrait photograph of all the current drivers to use in their post event social media, see note below sent to the Category Reps recently.

Hi Category Reps,

As part of our commitment to improve the post-event media coverage, we need your help to capture a photo of every driver during the upcoming race meet in April.

These photos will serve as invaluable assets for our replays, interviews, and race results screens, elevating the overall viewing experience.

To give you a glimpse of what's to come, we've attached an example showcasing how these photos will be utilised. We believe this initiative will not only enhance the presentation of our race but also provide a unique opportunity to spotlight each and every one of you.

To streamline the process and ensure maximum participation, we kindly request that categories come together as a group to have the photos taken. We understand that some driver may not be able to attend the April race meet, but fret not – we will make arrangements to capture your photo during a subsequent event.

When you come to have your photo taken, please ensure to wear your race suit fully done up. The photo setup will be conveniently located in the media centre above the race office. We can't wait to see you all there, looking sharp and ready to hit the track.

Thank you for your cooperation in making our media coverage even more exceptional.

Regards,

TELEA PLUMMER

Track Operations Specialist

2024 CALENDAR

Below is a copy of the 2024 calendar. Of particular note is the all historic double header that is scheduled for two consecutive weekends in September. It is hoped these two events will attract entrants from interstate and possibly overseas, more information on these two events will follow in due course.
