

## **FORMULA CLASSIC RACING**

10<sup>th</sup> May 2024

### **THERE'S TROUBLE IN PARADISE (PART2)**

Sadly, as we all know, it has been a very poor start to the 2024 season with very low entrant numbers. This fact was compounded further last weekend with only 3 entrants for the Ernie Hastie Memorial event at Collie, round four in the Formula Classic Championship.

With so few entrants in the event, the tough decision was made to cancel the event for Formula Classic.

Round 5 of our championship is being held at Wanneroo Park on Saturday 15<sup>th</sup> June. It is imperative Formula Classic puts out a big field of cars at this event to demonstrate our commitment to the class and reassure the car club we are a robust racing group. Entries for this event are open now.

### **Questionnaire**

Attached to this newsletter is a questionnaire that all racing members are asked to complete and return. Please make the effort to complete this questionnaire and to be frank in your responses (The questionnaire is in MS Word format for ease of completion). The responses to the questionnaire should provide valuable feedback on why our entry numbers are low and armed with this information it should allow us to plan a forward path for the group. Be assured your response to the questionnaire will not be shared outside of Formula Classic and no personal references will be made in our analysis of the information provided.
